

A large satellite dish antenna is shown from a low angle, pointing towards a bright sun in a blue sky with scattered white clouds. The sun is in the lower-left corner, creating a strong lens flare effect with multiple colorful streaks radiating across the sky. The satellite dish, which is a complex structure of metal panels and support beams, occupies the right side of the frame. The word "AUTOMATION" is superimposed in the center in a large, bold, white sans-serif font.

AUTOMATION
